

Temperature range: **-10°C/-20°C**

Refrigerating unit: **Internal**

Refrigerant/Cooling factor: **R507**

Specifications	KAMELEO 1.3 ICE
CODE	JA101KM
Length [mm]	1400
Capacity [dm <sup>3</sup> ]	50
Depth [mm]	955±10
Height [mm]	1360+/10
Unit weight [kg]	300
Refrigerant	R507
Evaporating temperature [°C]	-30
Rated voltage [V]	230/50Hz
Rated power of lighting [W]	17
Rated power [W]	1210
Cooling power [W]	1168
Electricity consumption [kWh/24h]	14,6
Number of containers VGN type [pcs]	6 / 10

## Standard equipment

internal freezing aggregate

dynamic cooling (ventilated)

front panel and plinth, wooden base – colour selectable (IGLOO colour chart)

small and thin wooden side panels – different colors available (IGLOO pattern book)

glass side panels or combined glass divider for multiplexable devices

bent front glass unit with silk – screen printing

ecological polyurethane foam insulation

exposition area made of stainless steel prepared for containers (165 mm x 360 mm) (10 flavours)

worktop – stainless steel

anodised aluminum profiles color gold or silver (IGLOO pattern book)

manual shutter (from the personnel side)

upper interior lighting - fluorescent LED

automatic defrost

automatic condenser vaporization

---

IGLOO electronic temperature controller with digital display + electronic temperature recorder with software

---

condenser impurity or fan operation failure alarm

---

## Options

the device without the wooden sides adapted for serial connection (mod/A)

---

additional base plinth - different colors available (IGLOO pattern book)

---

additional front panel - different colors available (IGLOO pattern book)

---

additional side panels - different colors available (IGLOO pattern book)

---

additional thin side panels - different colors available (IGLOO pattern book)

---

internal frame made of stainless steel

---

scoop washer container

---

scoop washer container with water flow system

---

stainless steel container 360x165x120 mm

---

exposition area made of stainless steel prepared for containers 360x250 (6 flavours)

---

stainless steel container 360x250x80 mm

---

internal backlight advertising panel

---

internal backlight price panel

---

temperature recorder wire

---
